Attendance Policy

Promontory is committed to providing a quality education for every student. The school firmly believes that consistent attendance teaches students responsibility. Students learn the value of being punctual and prepared. Frequent absences result in a loss of continuity of instruction and prove disruptive for students, teachers and staff. At Promontory, every hour is filled with learning activities and concepts. In order to truly benefit from these learning experiences, continuous, prompt attendance at school is necessary.

Parents are expected to take a proactive role in ensuring their children attend school whether that be physically present in class or participating from home in the case of distance or blended learning. We recommend that families plan their vacation schedule around the existing school calendar. When possible, medical and dental appointments should take place outside of school hours, and parents should notify the school in advance of any absence. Parents and students are responsible for obtaining homework or assignments for the time period which the student is absent.

Promontory intends for this policy to be consistent with the provisions of Utah’s compulsory attendance laws, Utah Code Ann. §§ 53A-11-101 through 53A-11-105. Promontory will seek to accurately monitor and record attendance information, annually review attendance data, and consider revisions to the attendance policy and procedures to encourage student attendance. In accordance with state law school will be held at Promontory School 180 days a year whether that be held at the physical location or through blended or digital learning.

Additionally, Promontory intends for this policy to be consistent with Utah Code R277-419 regarding Pupil Accounting and Continuing Enrollment Measurements. When students participate in digital or blended learning Promontory will seek to accurately monitor and record attendance information, document each student’s continued enrollment status at least once every ten consecutive school days, annually review attendance data and consider revisions to the attendance policy and procedures to encourage student attendance, whether that be physically at Promontory School or participating digitally from a different location. A student participating in online or blended learning at Promontory School will receive instruction under the direction of a highly qualified, licensed teacher who is subject to the licensure requirements of R277-502 and fingerprint and background checks consistent with R277-516 and R277-520.
The director will establish attendance procedures for traditional learning as well as blended learning and digital learning that will be consistent with this policy and applicable laws and will ensure that the policy and procedures are distributed to parents.
